1942 Hornberger's 1942 Wholesale List

JOBBER'S LIST NO. 1—These quotations cancel all previous quotations. Directly following the variety name we use the letters A, B or C. These denote size of florets. A, for extra large; B, for medium large and C, for medium size bloom. The figures following will indicate the approximate number open, as AFLAME, A6. All quotations are f.o.b. Hamburg, N. Y. **25 BULBS SOLD AT THE 100 RATE.** For less than 25 bulbs at the 100 rate, add 20% to the prices per 100. **150 BULBS SOLD AT THE 1000 rate;** pints of bulblets at quart rates. Bushel prices quoted by letter. Where we quote per 100 only, 200 or more of one size and variety take a 10% discount from the 100 rate. **CASH DISCOUNTS OF .05** on all CASH ORDERS FOR \$5.00 or more, (for cash in full with order only.) Don't overlook the value of our free extras. Minuet is quoted as about 98% pure, while Miss N. Z. is priced at a purity of 80% but may average better than 90% pure.
